

Greenfingers funds grow on trees!

Pip Bensley, Hardy Nursery Stock Buyer for Hillier Garden Centres and editor of The Hillier Club Magazine and Steven Lee, Sales Director of New Place Nurseries presented a joint cheque for £4,000 to Peter Field, Trustee of Greenfingers. This money was raised from the sale of New Place Trees through Hillier Garden Centres. One pound from every New Place Nurseries tree sold to Hillier customers over the past year was donated to Greenfingers.

Greenfingers is the Charity of the Horticulture Industry dedicated to creating magical gardens for children's hospices around the UK. The twenty nine special gardens created so far are a tremendous benefit to children staying in hospices, and also to their families. The garden at Jack's Place, Naomi House, Winchester has just been completed in time for the official opening by the Countess of Wessex on Tuesday 30th November.
